Bible and the Trinity The Bible is uniquely God-inspired, without error, and the final authority on all matters of faith and practice. There is one God, eternally existing in three persons—Father, Son, and Holy Spirit—each possessing all the attributes of Deity.

Sin and Salvation God created humans, but they disobeyed God by sinfully going their own way. As a result, they need God's saving grace. Salvation comes only through God's grace and must be received personally by repentance and faith. This accomplishes salvation for all who receive grace by trusting in Christ as Savior and Lord.

Jesus Christ and Eternal Life Jesus Christ lived a sinless life on earth and voluntarily paid for human's sin by dying on the cross as their substitute. Jesus Christ rose from the dead and is the only mediator between humans and God. He will return to earth, will raise the dead and judge all people.

Holy Spirit and the Church The Holy Spirit draws sinners to Christ, equipping believers for personal growth and service to the Body of Christ, the church. The church is called to proclaim God's reconciling grace, to glorify God and serve those in need.
